Dear Dr. Jouishomme

**RE: EXECUTION OF ASSIGNMENTS TO NRC AND DECLARATION/POWER OF
ATTORNEY FORMS**

Please find enclosed for your execution a number of documents relating to inventions made during your tenure as a Public Servant for which you have been identified as an inventor. The documents are:

1. Declaration/Power of Attorney form for an invention entitled "Three Dimensional In vitro Models of Mammalian Tissues"; and
2. Assignment to NRC and Declaration/Power of Attorney forms for an invention entitled "Methods for Modulating Gap Junctions".

In each case, your interest in the above-noted inventions vested with NRC by virtue of the *Public Servants Inventions Act* (the "Act").

Please be advised that the Act further requires the public servant to execute all documents as may be necessary for the filing of a patent application for such inventions. A full copy of the each patent application is enclosed for your reference.

In addition, under NRC's inventorship award plan you continue to be eligible for awards derived from commercialization of these inventions.

Therefore, please execute the necessary enclosed forms and return the same in the provided Courier envelope at your earliest convenience.

Your prompt attention to this matter is greatly appreciated.

Best regards,

Shawn D. Langlois, Counsel
